It's game on for Bendigo ice-skating club

20/11/2008 8:57:00 AM

THE Ice Skating Club of Bendigo is one of five winners of the Game On junior sporting club equipment promotion.

The club has been awarded \$2000 worth of equipment as part of the Rebel Sports competition conducted locally in conjunction with The Advertiser and the RACV.

The club has decided to use the prize on uniforms to be worn by skaters and officials during interstate and national competitions.

Club spokeswoman Jenni Clohesy said the club continued to go from strength to strength after the Golden Square rink reopened earlier this year.

"Our numbers are slowly growing and we are enjoying a resurgence in ice sports, helped along with the news of Melbourne becoming the national ice sports capital," she said.

"This is excellent news for our local clubs, with Ice Sports Victoria coming on board to help us build up our numbers and strengthen our clubs in readiness for the growth that ice sports are predicted to experience." The Bendigo club will host a family fun come and try session on Sunday, starting at 11am.
