

Well it's all been a little un-certain for a while, but we're finally going to be able to skate again soon! So here's the go for this month and hopefully we'll all catch up real soon, on the ice at the rink!

### Volunteers meeting

We'll let you know when the Volunteers meeting is re-scheduled for as soon as we are advised by BISA. Anyone else who also wishes to help out or be of any use is also more than welcome to attend. Volunteer tradespersons will be made really, really welcome. The meeting objective is to discuss what BISA needs to do to have the rink up and running and where our volunteers can assist. In the meantime if you come across anything that will be useful or if someone offers you help (in your capacity as an ice sports representative) please feel free to email the information to us at [info@iscb.org.au](mailto:info@iscb.org.au) and we'll pass the offers onto the people working to get the rink operational. So if you've got access to wood / paint / an electrician who owes you a big favour you can call in.... please let us know!

### Bunning's BBQ

This Saturday, March 29th ISCB was Bunning's fundraising bbq and a big, big, thank you to all who helped out cooking, serving, chatting and of course, all those people who purchased our perfect sausages and ate them! The amount raised will be tallied shortly and we'll pass the outcome on at the next meeting! **Well done everyone!**

### REMINDER!

"Disney on ice" is SOON – next week!! Disney on ice will be Sunday the 6th April, (the last Sunday of school holidays) That's right this will be the first time many of us will have seen each other since the break up last year!! Sorry if you haven't got tickets yet because they are all gone! The bus will be leaving from Southern Cross travel, Wood St, Eaglehawk at midday unless other arrangements have been made prior. We will be returning to Bendigo around 7pm.

### Break-up party.

Well last year's breakup party was a little different, but we all still had awesome fun! It was a shame that after all the hard work, the skating programs were unable to be preformed. However, hopefully they will be able to be shown in artistic comps or even at rink just for fun!

The weather was terrific and there was huge attendance! Congratulations to the winner of the 3-legged race and the egg and spoon race but

everyone is to be congratulated on their awesome sprints!

### NEW! Aerobics session

Since we're all probably so out of shape from lack of skating and not to mention- Easter, an aerobics session is in order! The aerobics session will be held especially for our club and will hopefully provide a bit of fun and fitness! But wait, there's still more! After the aerobics session we're going swimming!! And then if weather permits- a (byo) bbq lunch! This fantastic day of physical activity has been arranged for 9am Sunday the 20th of April at the Eaglehawk YMCA- Eaglehawk Aquatics Centre and Lake Weroona.

We would prefer to have an idea of the numbers participating so could you please notify us if you will be coming by sending e-mail to [info@iscb.org.au](mailto:info@iscb.org.au)

*Please do it now so you don't forget!!!*

BONUS! Cost normally \$15 BUT ISCB will be generously covering this expense for our members = free!! However you are welcome to talk your friends into coming and they can have the almost half price entry of \$8.80 each if they come in with you – the more the merrier! Still let us know they're coming please.

### Off ice activities...

If you have ideas for off-ice sessions that will build strength, encourage smooth movement, or just most excellent fun – let us know and we'll see what we can do in organising it for you!
